

Feedback reports and changes

1. Existing Division, District, Upozilla and Union database needs to be incorporated.
2. After selecting any of the options a default list according to the user location should be displayed.
3. In 'Contribute' option 'Type' should be appeared as check box instead of radio button.
4. Bi Language option should work in the next version.
5. User Guide should be in place.
6. A2I Logo should be removed from the Start up screen and the 2nd screen needs to be changed as per the given suggestion in the meeting.
7. Address should appear on popup menu upon click on any office.
8. Default police stations should be on top of the list.
